Also the following well branched heavy stock

It does not look so pretty as slender straight tree, but we believe it is much better value.

Puerto, Queen, Knight 8 to 4-1/2 ft \$2.25 to 3.50

Also stock in the field, can be dry now but March is preferable.  
 Garcia, Puerto, Spinks and Carter 1ft to 6ft \$1.00 to \$6.00
